

# Special Machine For Joints

**Controller**

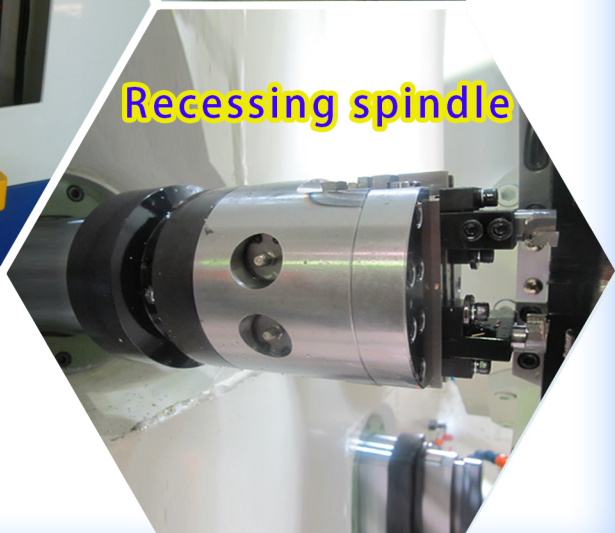

**CCD Vision**

**Manipulator loading**

**Recessing spindle**

**Material : Brass**

| Dimension | Controller | Motor horsepower |         | Hydraulic /NC | Processing                                 | Station(St.)X Spindle(Spd.) |
|-----------|------------|------------------|---------|---------------|--|-----------------------------|
|           |            | Thread           | Hole    |               |  |                             |
| 1"        | PLC        | 3HP6P            | 5HP4P   | Hydraulic     | BoringX2<br>RecessingX1<br>Tapping X1      | 5X4                         |
